Independent Auditors' Report

Board of Trustees of
Trees for Life, Inc.
Wichita, Kansas

We have audited the accompanying financial statements of **Trees for Life, Inc.** (a nonprofit organization), which comprise the statements of financial position as of **December 31, 2013 and 2012**, and the related statements of activities and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Trees for Life, Inc. as of December 31, 2013 and 2012, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2013 AND 2012

NOTE 1: ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of Organization

Trees for Life, Inc. (the Organization) was incorporated on March 15, 1984, in the state of Kansas as a not-for-profit entity. It is a people-to-people grassroots movement that empowers people by demonstrating that in helping each other, we can unleash extraordinary power that impacts our lives. This movement started by enabling people around the world to plant fruit trees in developing countries. The movement has now matured to where the Organization provides a platform for people of various disciplines to work on long-term fundamental solutions to problems in the areas of education, health and environment.

Funds raised in the United States pay for development and organizational support by the U.S. staff of international affiliates, as well as for the development of current and future programs. Such programs are funded by individual contributions as well as some foundation contributions.

Accounting Policy

The Organization's accounts are maintained on an accrual basis of accounting. Income is recognized when earned and expenses are recognized when the obligation is incurred.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liability and disclosure of contingent asset and liabilities at the date of the financial statements and the reported amounts of revenues, expenses, gains, losses and other changes in net assets during the reporting period. Actual results could differ from those estimates.

Contributions

Gifts of cash and other assets received without donor stipulations are reported as unrestricted revenue and net assets. Gifts received with a donor stipulation that limits their use are reported as temporarily or permanently restricted revenue and net assets. When a donor stipulated time restriction ends or purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions. Gifts having donor stipulations which are satisfied in the period the gift is received, are reported as unrestricted revenue and net assets.

TREES FOR LIFE, INC.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2013 AND 2012

NOTE 1: ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Gifts of land, buildings, equipment and other long-lived assets are reported as unrestricted revenue and net assets unless explicit donor stipulations specify how such assets must be used, in which case the gifts are reported as temporarily or permanently restricted revenue and net assets. Absent explicit donor stipulations for the time long-lived assets must be held, expirations of restrictions resulting in reclassification of temporarily restricted net assets as unrestricted net assets are reported when the long-lived assets are placed in service.

Unconditional gifts expected to be collected within one year are reported at their net realizable value. Unconditional gifts expected to be collected in future years are reported at the present value of estimated future cash flows. The resulting discount is amortized using the level-yield method and is reported as contribution revenue.

Inventory

Inventory consisting of Spanish language books are stated at contributed value. Cost was determined as the fair value at the date of contribution.

Property and Equipment

Property and equipment are stated at cost for purchased items and market value at the date of gift for donated items. Depreciation is provided using straight-line methods over estimated useful lives ranging from three to five years.

Transfers to Other Countries

Costs associated with the support of other entities are recognized in the accompanying financial statements as world programs. Transfers totaling \$13,495 were made in support of Books for Life International, an educational branch of the Organization that was formed in 2005 and transfers totaling \$27,791 were made in support of various other world program costs. Books for Life has program activities in several countries including Liberia, Nigeria, Zimbabwe, South Africa, Tanzania, Romania, India, Nicaragua, El Salvador and Zambia. These funds are used to provide training, education, books and educational materials.

Cash and Cash Equivalents

Cash and cash equivalents include all monies in banks and highly liquid investments with maturity dates of less than three months.

TREES FOR LIFE, INC.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2013 AND 2012

NOTE 1: ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Investments

Investments in marketable securities with readily available determinable fair values and all investments in debt securities are reported at their fair values in the statement of financial position. Unrealized gains and losses are included in the change in net assets. Investment income and gains restricted by a donor are reported as increases in unrestricted net assets if the restrictions are met (either by passage of time or by use) in the reporting period in which the income and gains are recognized. Short-term investments consist of debt securities with original maturities of twelve months or less. Long-term investments consist of debt securities with original maturities greater than twelve months.

Advertising

The Organizations expenses advertising and media costs as they are incurred. Advertising and media costs for the years ended December 31, 2013 and 2012 were \$6,291 and \$6,027 , respectively.

Income Taxes

The Organization is a not-for-profit organization that is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code and classified by the Internal Revenue Service as other than a private foundation.

The Organization's Forms 990, *Return of Organization Exempt from Income Tax*, for the years ending 2011, 2012, and 2013 are subject to examination by the IRS, generally for three years after they were filed.

Evaluation of Subsequent Events

Management has evaluated subsequent events through June 27, 2014, the date which the financial statements are available to be issued.

Reclassification

Certain accounts in the prior-year financial statements have been reclassified for comparative purposes to conform to the presentation in the current-year financial statements.

NOTE 2: FAIR VALUE MEASUREMENTS

In determining fair value, Trees for Life, Inc. (the Organization) uses various valuation approaches within the fair value measurement framework. Fair value measurements are determined based on assumptions that market participants would use in pricing an asset or liability.

Accounting guidance establishes a hierarchy for inputs used in measuring fair value that maximizes the use of observable inputs and minimizes the use of unobservable inputs by requiring that the most observable inputs be when available. Accounting guidance defines levels within the hierarchy based on the reliability of inputs as follows:

- Level 1 – Valuations based on unadjusted quoted prices for identical assets or liabilities in active markets;
- Level 2 – Valuations based on quoted prices for similar assets or liabilities or identical assets or liabilities in less active markets, such as dealer or broker markets; and
- Level 3 – Valuations derived from valuation techniques in which one or more significant inputs or significant value drivers are unobservable, such as pricing models, discounted cash flow models and similar techniques not based on market, exchange, dealer or broker-traded transactions.

Following is a description of the valuation methodologies used for instruments measured at fair value and their classification in the valuation hierarchy:

Mutual funds and money market accounts – Valued at the net asset value of shares held at year end as publicly quoted. This asset is classified within Level 1 of the hierarchy.

Wichita Community Foundation account – Valued at the fair value of the investments held by the Foundation and then adjusted for Trees for Life, Inc.'s interest in the assets. This asset is classified within Level 2 of the valuation hierarchy.

NOTE 2: FAIR VALUE MEASUREMENTS (continued)

The carrying values of cash, receivables, prepaid expenses, accounts payable and accrued liabilities approximate their fair values due to the relatively short periods to maturity of these items or because they are receivable or payable on demand.

NOTE 3: INVESTMENT RETURN

Investment return during 2013 and 2012 consisted of the following:

	<u>2013</u>	<u>2012</u>
Investment income	\$ 35,431	\$ 29,245
Realized and unrealized gain on sale of investments	<u>61,249</u>	<u>78,190</u>

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2013 AND 2012

NOTE 5: CONTRIBUTED GOODS AND SERVICES

Contributions of services are recognized as revenue at their estimated fair value only when the services received create or enhance non-financial assets or require specialized skills possessed by the individuals providing the service and the service would typically need to be purchased if not donated. Contribution revenue recognized from contributed goods and services in 2013 and 2012 consists of:

	<u>2013</u>	<u>2012</u>
Goods, office supplies	\$ <u>12,145</u>	\$ <u>765</u>
Professional services		
Printing, media, website services	1,338	1,648

-------------------	-----------------	-----------------

TREES FOR LIFE, INC.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2013 AND 2012

NOTE 7: NET ASSETS RELEASED FROM RESTRICTIONS

Net assets were released from donor restrictions by incurring expenses satisfying the restricted purpose. These amounts released during the years ended December 31, 2013 and 2012 are as follows:

	<u>2013</u>	<u>2012</u>
Purpose restrictions:		
Guatemala	\$ -	\$ 2,000
Books for Life	106,905	116,608
Tree planting	(30,235)	(525)
	<u>\$ 76,670</u>	<u>\$ 118,083</u>

NOTE 8: RESTRICTED LONG-TERM INVESTMENTS

Assets of \$250,000 plus fifty percent of any capital gains on those assets were originally restricted in perpetuity. The net income and fifty percent of any capital gains were to be expendable to support charitable, educational and scientific purposes only after the organization had raised and deposited matching funds of \$250,000. The terms of the endowment were revised during 2004 by the donor to allow for the use of the funds as needed to fund the Books for Life project. Funds are to be returned to the endowment when able.

NOTE 9: EMPLOYEE BENEFIT PLAN

In October 1999, a Simple IRA employee benefit plan was adopted. The employer matches each eligible employee's Simple IRA contribution up to a limit of 3% of the employee's compensation for the calendar year. The expense for this benefit plan for the years ended December 31, 2013 and 2012 was \$5,616 and \$5,280, respectively.
